**PLEASE NOTE THE FOLLOWING:**

- As a UK company, all our prices are calculated in £GBP and then converted to the appropriate currency for your country of purchase. We monitor exchange rates and always apply the correct conversion at the time of purchase.
- We reserve the right to amend displayed prices and exchange rates due to circumstances beyond our control.
- Our prices are shown as 'Ex-Works' and the buyer bears all costs and risks involved in shipping the goods from our premises to their desired destination. Additional shipping services can be requested when ordering.
- If a shipping service is requested, the additional costs and order lead times will be confirmed when ordering.
- Prices exclude any import duty or taxes applicable to the individual order due to its shipping destination.

We trust this information answers your query but if you require anything further then please let us know so we may assist you. We look forward to receiving your order via the contact information below.
